

## *2011 - The Best year ever... Thank you!*

The growth of Annexair has never been better than in 2011. Compared with 2010, business has escalated by 20%, with 99% of our customers in the US and 1% in Canada. On behalf of all Annexair employees and myself, I wish to extend thanks to the company's representatives, consulting engineers, architects, mechanical contractors and building owners for the confidence you have given us.

Many thanks!

Sincerely,  
Francois Lemieux – President of Annexair
